

Frequently Asked Questions

Q1: What is the Peace Prevails Programme?

The Peace Prevails Programme is a whole school resource for Primary School teachers to deliver as part of their everyday classroom practice.

It includes Lesson Plans and Resources for 5 – 7 yrs. and 8 – 11 yrs.

Q2: Why is Teacher Training included in the Peace Prevails Programme?

The Teacher Training gives you an insight into the Peace Prevails Programme prior to delivering it. The training is based around discussions with your colleagues and also some individual work.

The discussions are designed to enable you to discover:

- What the programme is
- How it can work in your school
- What areas of your school curriculum it links with
- What you and your colleagues need to do to prepare for the delivery of the programme
- Different methods of evaluation

You will also have the opportunity to practise some of the activities with your colleagues.

Q3: What does this Teacher Training involve?

The training can be delivered either as:

- A one-day 'Face-to-Face' session for a minimum of three schools with at least three teachers per school attending. Or
- Six 1.5 hr 'Blended Learning' sessions with a minimum of three teachers attending per school (the minimum number can be adjusted for very small schools).

Q4: What is Blended Learning?

Blended Learning consists of a mixture of online and in-person learning opportunities, which includes group discussions, some online and individual work plus face-to face video conference meetings – the latter by arrangement.

Q5: What is the cost of the Peace Prevails Programme?

Please see our [‘News’ section](#) for the latest prices. The cost depends on the number of students in your school, so a smaller school or community group would be less than a school with a larger number of students.

Q6: What areas of the curricula can it link with?

The Peace Prevails Programme can link with different curriculums/cross-curricula both nationally and internationally in the areas of:

- Health and Wellbeing
- Citizenship (Local -> Global)
- Inclusion and Equality
- Ecology and the Environment
- Geography
- Literacy
- Expressive Art

and can expand to link in with whole school class projects.

Q7: Do I need to be a school teacher to deliver the Peace Prevails Programme?

The Programme is designed for teachers in a classroom setting, however, it does not always have to be delivered within mainstream schools and can be adapted. Please get in touch and we can discuss individual opportunities.

Q8: Could my Community Group/Local Organisation deliver the Peace Prevails Programme?

We are happy to discuss individual groups needs and look at the possible options available for adaption of the programme.

Q9: When do we get our School Licence?

When the Teacher Training has been completed, your school will be given a School Licence and each teacher who has completed the training will be given an Individual Licence. This will allow them to deliver the Programme in any Licensed School
